

在下面的故事模版里的空格处填写文字,写点有趣的东西。

然后再在下面的横线上,还是用这个文字模版,但这次编写另一个版本的故事。

故事 1

First you take your _____ then add a layer of _____ before you pour on a hearty dose of _____ .

Next, press some _____ down into the _____ before covering with a sprinkle of _____ .

That's how we make a _____ !

故事 2

下面是根据某个文字模版生成的两则故事,但文字模版现在找不到了。

仔细阅读这两则故事,并在下面的方框里写出文字模版。

故事 1

Early last year, my mom gave me an old skateboard. She told me about the days when she would ride it from her school in her hometown. I tried to ride it once, but tripped over my shoelaces. It didn't take long before I decided that it was best to leave the skateboarding to my mom.

故事 2

Sometime last year, my mom told me an old story. She told me about the days when she would hear it from her father in her childhood. I tried to tell it once, but tripped over my words. It didn't take long before I decided that it was best to leave the storytelling to my mom.
